PROFILE SUMMARY

Hello! I'm Rabia, a passionate **software developer** with a strong focus on **Flutter Android app development** and **frontend web development**. My current expertise includes **HTML**, **CSS**, **JavaScript**, **React.js**, and **Bootstrap**, and I'm always eager to expand my knowledge beyond these technologies.

I hold a **Bachelor's degree** in Computer Science and have completed an **internship in Frontend Development**, as well as an **80-hour Flutter development training program**. These opportunities have significantly boosted my knowledge and provided me with valuable real-world project experience.
